Dear Parents,

As you know, our annual Performing Arts Afternoon is taking place on Sunday 11th November. This afternoon gives us a chance to showcase the incredible talent that exists amongst our students and is a wonderful celebration of their dedication and commitment.

The program is outlined below. For your convenience, you can come and go as you please but we would appreciate that students be at school 20 minutes before the activity in which they are participating. Band, Strings and Guitar students need to meet in the music classrooms adjacent to the Multi Purpose Hall before their performance. All Choir children will meet in these rooms prior to their performance as well. A roll will be taken before each performance as well.

There will be an admission fee of $10 per family. We will also be running a raffle as well, with some great prizes to win.

Last year we presented a Performing Arts Award to a child selected for their commitment and contribution to our Performing Arts Program in our school. This will take place again this year. The trophy, donated by ‘Macrosphere’ (the company responsible for our sound and lighting system in the Hall) will be presented at the end of the Choral Performances on the Sunday.

Afternoon tea will be provided for adults and an ice-block will be supplied for the children. This will be served from 1.00 to 2.15pm. The children will need to wear their full school uniform. The afternoon should conclude at about 3.30pm.

A reminder that this date was set at the commencement of this year and was on the commitment forms for Choir children and on letters sent home early in term 2 for Band and Strings students. If for some reason you cannot attend, please inform the school.

Looking forward to a wonderful afternoon which showcases the ‘Arts’ within our school.

Kindest regards,

Mary Hehir (Music Teacher)
