Email: __________________________________________________________________

My child’s first 3 preferences of instruments are:

1. ____________________________________________________________________

2. ____________________________________________________________________

3. ____________________________________________________________________

We already have an instrument at home that is in good playing condition, currently not in use, that is available for my child to use.

☐ Yes ☐ No

If ‘yes’ what is the instrument? __________________________________________

My child already plays these instrument/s

______________________________________________________________________

Other members of our family already play the following instruments:

______________________________________________________________________

If family members play instruments, would you like your child to learn:

a) The same instrument

b) A similar instrument

c) A contrasting instrument

(please circle your preference)
