Our Vacation Care Program aims to be an enjoyable and safe place for all those who attend. Every day is filled with lots of activities. We cook, accomplish art and craft masterpieces, do dance and drama, play sport, enjoy group and board games, videos and popcorn, video games (Wii), play on ipads, and have lots of fun! We also still have all of our normal games and activities available to children to use throughout the day.

We are open from 6.30am — 6.00pm on Vacation Care.
